COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held August 12, 2003, the Board took the following action:

1

Supervisor Burke made the following statement:

"The week of August 10 through 16, 2003, has been designated as Community Clinic Week. Community, Migrant and Homeless Health Centers in all 50 states are celebrating the achievements of the health center program that serves America's uninsured and medically underserved. As part of its observance of Community Clinic Week, the Community Clinic Association of Los Angeles County and 27 member clinics, will host events throughout the week to celebrate and highlight the contribution community clinics make in preserving the health care safety net.

"The observance of Community Clinic Week comes at a time when more and more Americans are turning to health centers for medical care. Community Clinics have compiled a solid record of success for nearly 40 years of caring for the uninsured and medically underserved, and have dramatically reduced health disparities and pioneered successes in treating chronic diseases, such as diabetes and hypertension."

Therefore, on motion of Supervisor Burke, seconded by Supervisor Antonovich, unanimously carried (Supervisor Molina being absent), the Board proclaimed August 10 through 16, 2003 as "Community Clinic Week" throughout Los Angeles County to celebrate and highlight the contribution community clinics make in preserving the health care safety net.
